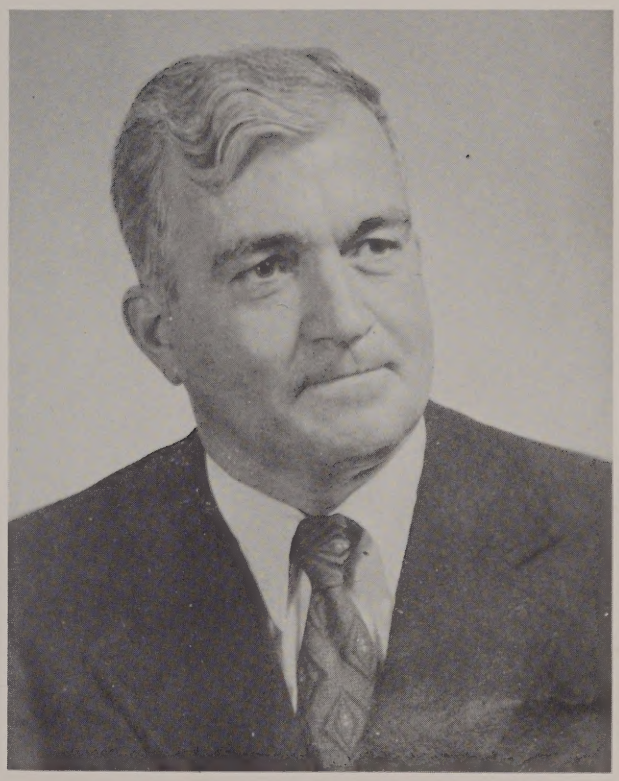
BROTHER FLAVIAN C.F.X.
February 22, 1886-August 4, 1974

"Worn down at last after 88 years, Brother Flavian's unrelenting, tough old body finally let his soul go free. He died at the Shrewsbury Nursing Home on August 4. Full of Years and accomplishments and memories, faithful over all the years to the strict code of his religious life, indomitable in purpose and effort, obedient and long suffering and humble, administrator and teacher and tireless worker, diamond jubilarian, oldest Xaverian in America--this Old Man was beloved of generations of students and generations of Xaverians."

Brother Frederick Murphy C.F.X.



ROBERT F. FLAGG
Educator

"That's what Monday evening's Gazette reported, and that word says it all. Educate--comes to us from the latin: "ex" meaning "out of" and "ducere" meaning "to lead" . . . The Bob Flagg I'll remember and want you to remember is the task-master teacher who took a hardworking but slow student--gave him the exam questions and three make-up tests in order to guarantee his passing. Yet failed the 'alibi Ike' who wouldn't contribute an ounce of effort . . . Yes, Bob Flagg was, indeed, an educator. He lead many, many among us out of the realm of the ordinary, and into the awareness of something better. He guided from inability to ability. His quiet dignity improved any situation--be it family, school, or athletic . . . Bob Flagg was a man's man, and a friend's friend. Never pretentious; he may have come on strong at times, but his emotions and thoughts were real. My biggest regret is that the people at St. John's did not have time to really know him . . . We all must thank God for having placed in our lives this deep, sensitive person to lead."

Mr. Charles Bibaud

The Stanley Cup Hockey Tourney, now in its fifth year, attracted eight teams in competition for a record purse. The championship game featured the Wild Ones against Shea's Savages. The outcome was not decided until the final minutes, when the Wild Ones' John Mollo scored from in front of the net to make it 3 to 2. Paul Houston and John Mollo were chosen to share MVP honors.

# Football '74

The 1974 season was a rebuilding year for Saint John's, and yet it was not. Head Coach Mr. Robert Bradley was faced with the unenviable task of replacing 19 out of 22 starters. At the end of the schedule, SJ posted a strong 7-3 record, a 5.20 rating, and a second place finish behind unbeaten perennial power Leominster in the Class A Division.

SJ's season was bitter-sweet, a blend of satisfaction and frustration, beginning with the home game opener against Leominster. Leominster won 27-7.

Things did not get better. Instead SJ sank to a dismal 1-2 log before bouncing back. The "turning point of the season" came with SJ's 21-7 victory over tough Gardner High. Believing in itself, SJ racked up impressive wins over Southbridge (9-0), and arch-rival St. Peter's (14-13).

The team's offense was lead by Mike Mc Evilly, a first year quarterback, who came into his own against Gardner. It was in that game that Mc Evilly gained the respect of players and coaches with his uncanny composure and take-charge attitude.

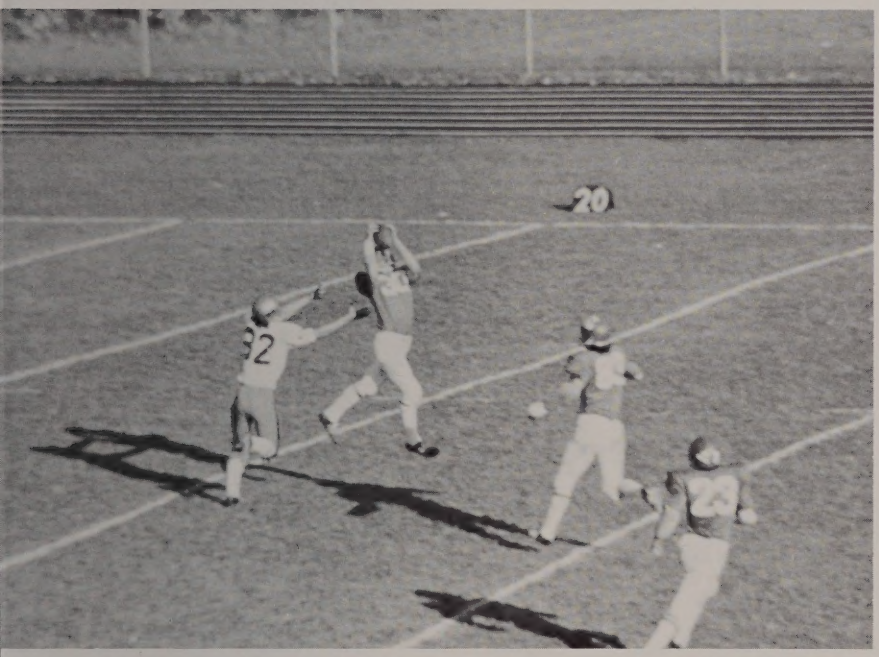
Meanwhile, co-captain Jim Coggins gave SJ what it needed: a power runner. Coggins was SJ's leading ground gainer (longest gain 84 yeards against Burncoat).

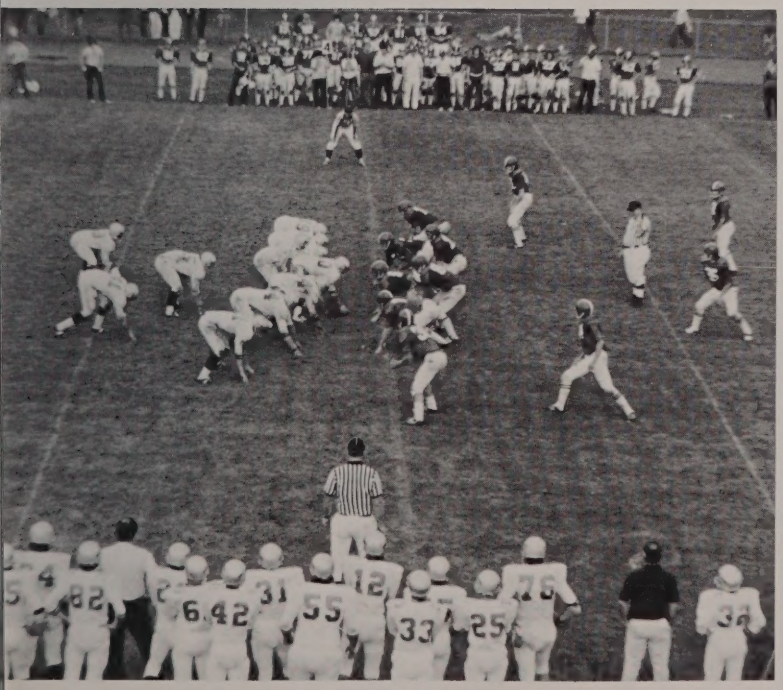
Sidekicks Andy Valinski and Dave Massucco also proved to be invaluable assets, with their explosive outside acceleration coupled with their gifted receiving ability coming out of the backfield.

The defensive unit which gave up an average of only 9.6 points per game was led by Tim Shea, who was the team leader in tackles (28) and assists (42). There was also Gary Guglielmello, who got his name in the record book by being the first Pioneer lineman to intercept a pass and score a touchdown (against Holy Name). Likewise, outside linebackers Pat O'Connor and Jim Grady complemented each other--O'Connor the better tackler and Grady the better pass defender.

Bob Hinson, the most versatile performer on the Pioneer's squad, did much work with his booming punts and superb place kicking. Hinson, with his soccer-style kick, gave SJ an almost automatic point on his P.A.T.'s and booted winning field goals in a few games.

First Row L-R: Andy Valinski, Ken Hehir, Chris Walton, Gary Gugliomello, Tim Shea, Jim Coggins, Joe Blute, Bob Hinson, Jack Mias, Bill Beriau, Dave Fitzgerald. Second Row: Richard Penny, Fitzpatrick, Sal Distefano, Al Senecal, Phil Giarusso, Dave Cahill, Matt Roche, Paul Doyle, Mike Mc Evilly, Dennis Potvin. Third Row: Dan Shea, Pete Mc Evilly, Mark Davis, John Flagg, Jack Herbs, Walt Matusak, Jack Coggins, Jim Etre, Leo Evangelista, Joe Raskett. Fourth Row: Tim Moynihan, Tim Brazille, Ray Cozenza, Jim Graddy, Pat O Connor, Steve Rocco, Dave Massucco, Ed McMahan, Tom Condon, Jim Goode, John Tierney, Coaches: Mr. Bradley, Mr. White, Mr. Blute, Mr. Daigle.





The most exciting game of the season was the annual rivalry with St. Peter's. This game was especially memorable because it marked the 50th anniversary of these historic clashes. In this game the seniors proved their leadership abilities by an explosive comeback in the fourth period, scoring two touchdowns and giving SJ a 14-13 win. These two scoring drives were led by the senior linemen co-captain Joe Blute (tackle), Ken Hehir (center), Dave Fitzgerald (tackle), Chris Walton and Bill Beriau (guards), and Paul Capstick (tight end).

Paul Capstick's clutch grabs paved the way for SJ and earned Paul the coveted Hazelhurst Award.

As in every sport, the players can only reflect the abilities which the coaches enable them to reflect. The SJ coaches try their best to acheive this, no matter how painful it may be to the players and to the coaches themselves. Mr. Robert Bradley, the Head Coach, was assisted by Mr. William White, Mr. Michael Blute, and Mr. William Daigle.

The SJ Family would like to thank the seniors for their dedication and for giving the student body so much to be proud of. We wish them the best of luck in the years ahead.

# Soccer

The old adage, "All good things must come to an end", summarized the Pioneer Booters' disappointing finish last fall, as St. John's bowed to Springfield Classical in the opening round of the State playoffs at Clark University.

Coached by Ted Soutiropoulas, the Catholic Conference champs can well attest to the fact that good fortune can be ended quickly. Soutiropoulis' team had just completed a strong 10-4-4 regular season record and was gaining momentum after having gone unbeaten in its last seven games before being rudely ousted. The relatively young and inexperienced team endured a rocky 5-4-3 start. Never losing sight of the preseason championship goal, however, the squad countered the early losses with an inspriring late season surge that put SJ into the States. In the end, a tough effort and tenacious playing put in another chapter in Pioneer history.

This year's team was led by senior co-captains Paul "Bow" Houston and Steve Lemieux, who played fullback and halfback, respectively. These two very talented seniors displayed why they were regarded as two of Central Massachusetts' finest players. Also, much credit goes to seniors Robert Utzschneider, John Neilan, John Roach and many others. Highlighting the season was a 3-1 victory in the final game against formidable Quabbin Regional.

Juniors performed a vital role on the young team. Junior Kevin Spreadbury paced all SJ scorers, netting 7 goals and 13 assists. Junior goalie Matt Koomey proved to be a stalwart performer in the net, racking up 4 shutouts and a league-leading 1.75 goals against average to backbone an impermeable defence. St. John's salutes the seniors and the future teams for their superb effort, and wishes next year's team good luck.

# Cross Country

The Cross Country team ended the 1974 season with a winning 10-4 record. The team was led by stars John Turpin, Jim Chartier, and Phil Brennan. Other positions were juggled among Bill Collins, Jack Tracy, Joe Lane, Paul Vaitkus, John Eddy and Bob Patnod. This year's co-captains were Jack and Mike Tracy.

The Tracys did much to instill team spirit and determination to win. This determination resulted in Saint John's humiliation of Wachusett; the first time in years that SJ has been able to beat them. Another seasonal highlight had some Cross Country members running in the Kiwanas Road Race. Each SJ runner received a trophy. The season ended with brilliant performances by Jack Tracy and John Eddy at Holy Name.

A sincere thanks is given to Brother Theodore for his enthusiastic coaching and fine substituting for Brother Fintan. To Brother Fintan, who had an unfortunate accident, the team extends a heartfelt thanks and wishes for good luck next year.

Next year promises to be a great season with many of the runners returning. Good Luck!

# Basketball

The 1974-1975 Basketball season was supposed to be another rebuilding year. Only three players--Collins, Crimmin and Russo--with any experience were returning from last years' 23-2 squad. Around them, Coach Bibaud put together a fine team which sported an overall 17-7 record. Such an achievement was due to hard work, determination, and a good deal of confidence. Without these attributes the Pioneers may well have been just another ball club.

The Pioneers opened their season by annihilating St. Bernards 61-30. However, St. Johns then lost a heartbreaker to Fitchburg 66-64, thereby losing any chance of repeating last year's undefeated season. Next the Pioneers went up against a perennial power Springfield Commerce. Here SJ proved that they could stand up under pressure by winning a tough one 61-60. St. John's was now ready to compete in the Yuletide Tournament, featuring Shrewsbury, La Salle Academy, Catholic Memorial, and SJ.

St. Johns won its contest with La Salle 65-62, as Captain Bill Collins contributed a career high of 32 points. The Pioneers now face Catholic Memorial, who had blown out Shrewsbury 86-59. Memorial proved too tough as they defeated the Big Red in the Championship game 73-64.

After an easy win over North, Holy Name was the next test for the Pioneers. However, this year SJ could not get by their rivals as they lost a close one 55-52. The Red Machine now posted a 4-3 record, leaving the team and its followers uncertain about the future.

As the season progressed, the Pioneers erased any uncertainties by gaining big victories over Burncoat, St. Peters, Doherty, and Rice Memorial, thus upping their record to 10-3. However the Big Red's successful comeback was brought to a brief halt as the Naps defeated the St. Johns team once again. The Pioneers rebounded by winning six of their last eight contests to gain a playoff spot in the Districts.

In the semi-final match, the Pioneers avenged the previous two losses to Holy Name by downing the Naps 64-58. It was now time for the final match against Fitchburg. St. Johns was not to repeat last year's champion-

ship. Fitchburg proved to be too much for the Pioneers, who lost despite a valiant effort, 68-65.

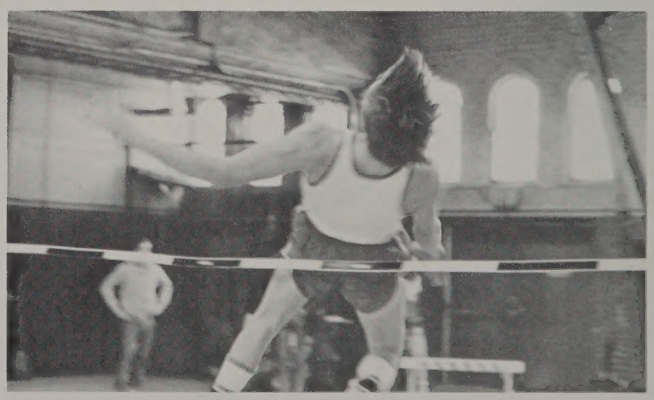
The 1974-1975 Season will be remembered as a successful one in the History of St. Johns. The team will lose seven seniors--Bill Collins, Jeff Hebb, Paul Houston, Vin Palazzi, Ron Bottom, Bernie Quinlivan, and Charles Bibaud--and be faced with still another rebuilding year. With both Kevin Crimmin (leading team scorer with an average of 13 points a game) and Dave Russo returning as experienced starters, the 1975-1976 basketball season may indeed be an excellent one. On behalf of the St. Johns' student supporters, we wish to thank Coach Bibaud and the departing seniors for all they have given us. Good Luck.

Mr. Bibaud, Dan Buduo, Dave Russo, Mike Palazzi, Paul Houston, Ron Bottom, Kevin Crimmin, Bernie Quinlivan, Mr. Covino, Mr. Richard. Larry Martel, Chip Bibaud, Jeff Hebb, Bill Collins, Vin Palazzi, Mitch Bollis, Jay Egan.

# Indoor Track

The Indoor Track team at St. John's had one of its better seasons during 1974-75, with a 6-4 record. This year was special because it marked the first year that we competed in the strong North County Suburban Indoor Track League at Fort Devens.

Leadership was provided by the co-captains; Dave Fitzgerald in the shot put, and Paul Gadilauskas in the hurdles. Other major contributors to the team were Jim Coggins, an all-League shot putter and holder of the indoor shot record, and his brother Jack Coggins, our star junior in the 1000 yard run. In the 600 were our co-stars Phil Brennan and Jon Eddy. In the 2 mile were John Turpin, closely followed by Jim Chartier. Steve Andrzejczyk, Joe Buscemi, Mike Tracy and Mike Cammusso made up our record-holding relay team which was also all-League. In the high jump were Jack Tracy, Paul Powers and Tim Cocrane. Mike Tracy and Joe Buscemi put in fine performances in the 50 yard dash. Many of the seniors climaxed the season with a fine performance at the "states". There are many others, but special thanks go to Coaches Frew and Brother John Sullivan.



Back Row: WJ Hardell, Jon Eddy, John Turpin, Chris Boothe, Jack Coggins, Dave Fitzgerald, Jack Tracy, Mike Tracy, "Muscle Beach", Jim Coggins, Brian Buckley, Paul Cataldo, Steve Andrzejczyk, Paul Gadilauskas, Joe Lane, Jim Shea. Mid-Row: John Sullivan Jr., Bob Beauregard, Jim Largess, Tom Tracy. Front Row: Danny Viscardi, Mike Camusso, Joe Buscemi, Steve Etre, Jim Etre, John Flagg.

# Hockey

The 1974-75 Hockey season was a complete reversal from last year's disappointing 6-11-2 record. With only 5 seniors on the squad, the relatively young and inexperienced Pioneers under Coach Araby produced a fine 13-6-1 record, second only to the league leader, Hudson.

At the beginning of the season, the Pioneers appeared as if they were going to repeat last year's season, with an opening 7-3 loss to St. Peter's. However, the team bounced back to win three games in a row, establishing themselves as a strong contender for the League title. If it had not been for an unusual rule (which requires that a team win 75% of its contests in order to qualify for the State playoffs), the Pioneers would have had a shot at the State title.

The team, led by co-captains Kevin Turcotte and Fran Bastien, also included seniors Tom Dolan, Larry Sowa, Henry Proko. The juniors were Joel McKoan, Gary Petro, D. J. Paul, Bob LaBoisiere, Jerry Richer, and Mark Burns. The sophomores included Joe Mc Kinnan, Andy Olsen, Mark Mc Koan, Paul Marinoni, and first year man and junior standout, Eric Hampe. Therefore, losing only five seniors, the future of St. John's Hockey looks bright, with many talented underclassmen returning next year.

# Baseball

The 1975 Saint John's Baseball team was one all pioneers could be proud of. Much of the team's success was due to the fact that each player gave 100% throughout the season. Co-captained by Steve Lemieux (cf), and Jack Mias (2b), the team achieved a well earned 18-5 record.

Other starters on the team were seniors Bob Hinson (Pioneer Award), at first, Fran Shea at shortstop, Brian Rivers at third, Juniors Mike McEvilly in left, and Pat O'Connor or Paul Blanchette in the right field slot. The Battery was led by junior Jim Grady calling the signals, pitching were juniors Jim McDonald, Pat O'Connor, and Paul Blanchette who did nost of the hurling. Rounding out this fearsome staff were juniors Mike Bombard, and John Tierney, sophomore sensations Jack Herbst, and Tim Brazille, finally rookie fireballer Ron Darling.

Also seeing action this spring were clutch senior Bob Sullivan as a utility man, and Ray Cozenza (3b). Rounding out the ballclub were, Dan Ford, Kevin Spreadbury, Steve Rocco, Brian O'Connor, and Tim Moynihan.

The season proved surprisingly successful because preseason projections looked dim. But the young team came along quickly, and will continue the winning tradition next year. For the six seniors a feeling of pride will always be present when they speak of their baseball careers at S.J.

# Outdoor Track

The 1975 St. John's Track team met with good success, as they compiled a 7-4 record. The Pioneers faced stiff competition with Leominster, Fitchburg, Gardner and Auburn being their only pitfalls.

A strong Clinton team was easily defeated by the Pioneers in their season opener, as was Holy Name two days later. St. John's kept the winning spirit by defeating North High at their own track. The Pioneers had begun their season with three quick wins, only to see their chance of an undefeated season fall with a loss to Leominster. The high point of the season came at Foley stadium where the Poineers handed rival Doherty a loss. The score was tied with the discus and javelin events left. With a fine effort from the discus throwers, St. John's was able to sweep that event and pick up the points needed for the win. However, the winning spirit did not last long as the Pioneers fell victim to a strong Auburn team. Two dual meet wins over Wachusett and Burncoat at Pioneer field brought St. John's record to 6-2 with two dual meets left in the season.

Next came a trip to the Districts where individuals competed for themselves as well as the team. The immortal Jack Tracy gained second place in the Class A high jump. Jim Coggins placed 5th in the shot put while his brother Jack won the mile in the time of 4:38.4. Jack Coggins was undefeated in the mile during the regular season. The 880 yd. run saw Jack Tracy and Phil Brennan place 3rd and 4th respectively. John Turpin finished 3rd in the two mile. St. John's placed relay teams in both the mile and 4x110 yd.; They placed 2nd and 3rd in that order.

After the Districts the Pioneers travelled to Gardner where they were handed a defeat. Next followed the Central Mass. Conference League meet at Pioneer Field, where St. John's placed 3rd as a team. Again the Pioneers met with defeat as Fitchburg handed them their 4th defeat of the season. Then on to the State Trials held at White Stadium. Jack Coggins ran strongly in the mile as did Dave Massuco (Mook) in the 220 yd. dash, both of whom earned an all-expense paid trip to the All State Finals one week later.

The Pioneers rounded out their season at St. Bernard's where they picked up the win to bring their record to 7-4. At the State Finals the outstanding performance of the season was seen in the 440 yd. Relay Team of Mike Tracy, Joe Buscemi, John Berthiaume, and Dave Massuco. They earned a trip to the all Class Finals with 4th place in a record time of 44.8 seconds.

## Freshmen

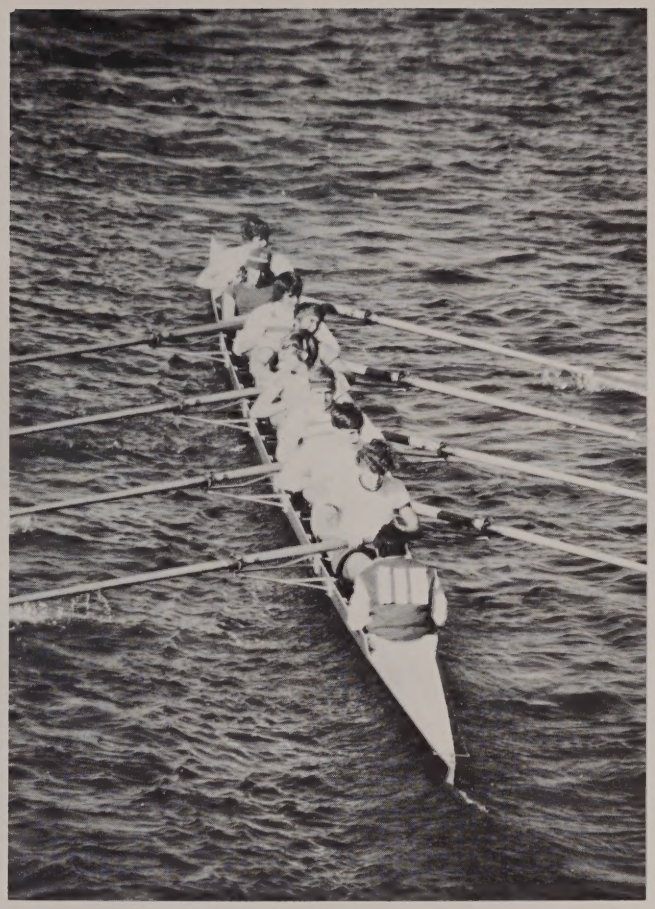
# Crew

The 1975 Crew season began with a loss to Middlebury in the first race of the season. But this was quickly changed with two choice victories: A Close win over a much bigger Simsbury team, and a devastation of the Holy Cross freshmen. The Big Red Crew finished the first half of the season with a third place in the Quinsig Cup, an annihilation of W.P.I. freshmen, and a loss to perennial power Andover.

The final race of the season exemplified the whole spring. The SJ Team getting a tough seeding by being in the fast qualifying heat, wouldn't quit. Falling behind at the start of the race, they gave their all only to fall 3.5 seconds short of qualifying for the championship. This years first boat was led by co-captain Bob Gardiner at stroke, followed by Don Tremblay at seven. The power positions were held by Kevin Casey at 6, junior Chris Booth at 5, and Brian Buckley at 4. The power bow as led by co-captain Bob Shea at 3, Steve Kapurch at 2 and John O'Keefe at bow. Soph. Phil Bailey was coxswain.

The second boat finishing the regular season with a spectacular 12-1 log, finished 6th in the New England Championship. Two highlights of the season were winning the Quinsig Cup and the first victory ever over Andover.

The Pioneer Crews of the future will have to do without the services of mentor Don Maloney. Coach Maloney leaves with a fine 103-76 record over four years.



# Golf

1975 was a great year for Golf at Saint John's. The team compiled a 14-1-4 record, the best in the school, and handily won the new CMC league. The success of this year's team can be attributed to consistently great team efforts, and the coaching of Mr. Prendiville, who turned many a player's woes into success with a keen sense of observation.

S.J golf was a team effort in '75. Leadership was provided by co-captains Jim Orcutt and Rick Watrous, Two seniors with long, top flite careers on the team. Next, Chuck Tidman, the much improved junior whose wit and mental preparation pulled out many a tough match for the Pioneers. Jay Bath, a junior transfer from Worcester Academy, was the longest hitter on the team. He was the big plus the team needed, to know they could win. Paul "Mario" Marinoni, only a sophomore, consistently turned in good scores. Last but not least were the three golfers who shared the sixth position on the team, Casey Scavone, freshman, Paul O'Keefe, junior, and John Andreoli, freshman. They would have been in the top three of most other schools. Rounding out the team were alternates Larry Sowa, Jim Goode, and Gary Brumleve. Their added insurance kept the other golfers in top form. With virtually the same team back in 1976, the cause for celebration will be great with another strong Saint John's golf team.
